What you need

- [ ] 9 colorful bottle caps
- [ ] A small wooden board or thick cardboard
- [ ] Blue paint and a brush
- [ ] Yellow paper

How to make it

1. Paint the board blue and let it dry.
2. An adult glues 8 caps in a row on the board.
3. Glue the ninth cap (the shamash) in the middle, on top of another cap, so it stands taller.
4. Cut 9 small flames from yellow paper.
5. Tuck or glue a flame into each cap.

💡 **Tip:** Keep the flames aside and add one each night of the holiday.
