Blue & White Fruit Skewers

⏱ 15 min | 🍽 8 skewers

What you need

- ☐ 1 box of blueberries
- ☐ 8 short wooden skewers (or straws)
- ☐ 2 bananas
- ☐ A small bowl of yogurt for dipping

How to make it

Peel the bananas and slice them with a kids' knife into thick rounds.

Thread onto a skewer: blueberry, banana, blueberry, banana.

Keep going until the skewer is full – blue, white, blue, white.

Dip in yogurt and enjoy!

💡 **Tip:** Instead of sharp skewers, use paper straws – safer for little ones.
