Potato Latkes

⏱ 45 min | 🍽 About 15 latkes

✋ **Frying – adults only**

What you need

- ☐ 4 medium potatoes
- ☐ 2 eggs
- ☐ ½ tsp salt
- ☐ 1 small onion
- ☐ 3 tbsp flour
- ☐ Oil for frying

How to make it

Peel the potatoes and onion and grate them (careful with your fingers!).

Squeeze the mixture in a clean towel until almost no liquid comes out.

Add the eggs, flour and salt and mix well.

An adult fries spoonfuls in hot oil, 3 minutes on each side, until golden.

💡 **Tip:** The better you squeeze, the crispier the latkes. Serve with sour cream or applesauce.
